## Production & Quality

The production team comprises of a production supervisor and Team leaders under whom a batch of trained and experienced technicians put their combined effort to bring out the best in quality products. In each stage of assembly, their work progress is documented and monitored by the quality control department.

## After Sales Services

Al Hayat Elect. Switchgear Ind. LLC provides a complete field service offering from startup and commissioning to troubleshooting and equipment maintenance programs. Our job is not complete until equipment is installed properly and operating within your specifications. Our after sales service means that we design the controls for a seamless install, user-friendly application and easy maintenance. We encourage customers to participate in factory testing to ensure equipment is performing to their specification.

## Standards & Warranty

Our Products are designed to meet international standards such as IEC & BSEN and adopts latest requirements of local Authorities.

Our Products are guaranteed with a standard warranty period of 12 months from the date of commissioning or 18 months from the date of Delivery whichever comes earlier, against any malfunction, manufacturing defects or workmanship.
