Introduction

AL HAYAT ELECT. SWITCHGEAR IND. LLC, Sharjah is set up in the year 2020. With an earnest to deal in a suitable & efficient way and cope up with the growing requirements in the field of Construction, Power Generation, Oil & Gas, Marine and Industrial sector in U.A.E & all over Middle East.

AL HAYAT incorporates with most reputed brands in our systems and guarantees reliable technology, well developed design and excellent-quality finished product with a commitment to serve the industry with superior quality products and excellent service.

Al Hayat Elect. Switchgear Ind. LLC ha tie up with some of most reputed brands in LV Switchgear industry to deliver a world class switchgear system.

OUR FACILITIES

Sales, Design, Production, Engineering Dept

The office facility have the followings:

- ✓ Technical & Commercial – Sales & Marketing department.
- ✓ Estimating department.
- ✓ Design department
- ✓ Production & planning department
- ✓ Procurement department
- ✓ Accounts & Finance department

Production, QAQC, Testing

The main production facility houses the following:

- ✓ Dedicated Design & Engineering Division equipped with advanced tools to develop accurate, efficient, and project - specific solutions.
- ✓ Production facility for clean assembly of all equipment.
- ✓ Testing and inspection facilities.
- ✓ Site services support team.

OUR SETUP

Al Hayat's Office, Factory setup & organizational structure is developed professionally to work in desirable atmosphere which results in Zero error in All our projects.

ePLAN

Complete Engineering Process is based on ePLAN starts from Design Engineering, Assembly, Supply, Service & maintenance of the Low Voltage Switchgear – Power, Control, Automation panels

Testing Instruments

Our Testing Instruments for all Testing & Commissioning activities are HV Test kit, Insulation Resistance test Kit, Secondary injection Test Kit etc.

ERP : Enterprise resource planning Software

Starts from Sales, Estimation, Design, Procurement, Production , QAQC Departments are Centralised with our ERP system.

Sales & Technical Support

Our Sales, Design, Quality Control Engineers will be ready to support our Clients Issues & troubleshoot all the technical Problems.

Certificate of Compliance

CE

We hereby declare that the technical files of all the items in each product group complies with the requirements of the Council Directive on **The Electromagnetic Compatibility (EMC) Directive 2014/30/EU**

Certificate No.: CE - 6099

Manufacturer : AL HAYAT ELECT.SWITCHGEAR IND L.L.C

Address : INDUSTRIAL AREA-17, SHARJAH -UAE

Products : LV SWITCHGEAR PANELS, MCC PANELS, DISTRIBUTION BOARDS, HVAC PANELS, CONTROL PANELS

Harmonised Standards : IEC 61439-1& 2: 2020

Complies with the requirements applicable to it

The quality system file has been assessed, approved and is subject to continuous surveillance according to the Council Directive on **The Electromagnetic Compatibility (EMC) Directive 2014/30/EU**

This certificate is issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type-examination procedures, if requested.
2. The certificate remains valid until the manufacturing conditions or the quality systems are changed.
3. The certificate validity is conditioned by positive results or surveillance audits.

The CE mark as shown above can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant EC Directives. The statement is based on a single evaluation of test report of one sample of above mentioned product. It does not imply an assessment of the whole production.

Validity of this certificate can be verified at www.ukcertifications.org.uk/verify

Production & Quality

The production team comprises of a production supervisor and Team leaders under whom a batch of trained and experienced technicians put their combined effort to bring out the best in quality products. In each stage of assembly, their work progress is documented and monitored by the quality control department.

After Sales Services

Al Hayat Elect. Switchgear Ind. LLC provides a complete field service offering from startup and commissioning to troubleshooting and equipment maintenance programs. Our job is not complete until equipment is installed properly and operating within your specifications. Our after sales service means that we design the controls for a seamless install, user-friendly application and easy maintenance. We encourage customers to participate in factory testing to ensure equipment is performing to their specification.

Standards & Warranty

Our Products are designed to meet international standards such as IEC & BSEN and adopts latest requirements of local Authorities.

Our Products are guaranteed with a standard warranty period of 12 months from the date of commissioning or 18 months from the date of Delivery whichever comes earlier, against any malfunction, manufacturing defects or workmanship.
